- a. In the statement of statutory authority, the final sentence is incomplete.
- b. In the discussion of the weight conversion factor and the modification of mandatory practices, there are two incomplete cross-references: “NR 46. (1)” and “NR 46.18 (e).”
- c. In the last sentence of the discussion of the anticipated cost by the private sector, it appears that the word “or” should be inserted before the word “decrease.”
- d. In the discussion of the rule’s effect on small business, the word “on” should be inserted before the word “what.”
- e. In the last sentence of the analysis, in the section pertaining to the effect of the rule on small business, it appears that “pos-harvest” should be “post-harvest” and “marina” should be “maintaining.”
- f. SECTIONS 4 and 5 should be reversed. A treatment clause should be added after SECTION 5 indicating that s. NR 46.30 (2) (d) is created.
- g. In s. NR 46.30 (2), the headings to column 8, should be made consistent.
